THE TEAM

“Okan Tower is a *monument to all that is possible* when imagination and opportunity come together.”

— Bekir Okan, Developer/Chairman of the Board of Directors

Okan Group

Founded in 1972, Okan Group is Turkey's leading, innovative enterprise. Boasting international experience and advanced technology, the company began in the industrial arena and has since expanded to a real estate focus with its first U.S. development in Downtown Miami being Okan Tower. Its investments in the Central Asia, primarily Turkmenistan and Kazakhstan, as well as around the world, have earned Okan Group a deep-rooted reputation in the construction, banking, textile, production and tourism industries, among others. Continuously engaging in quality research and identifying growth opportunities, the company's global footprint has resulted in nearly 40 projects that service the community through technological, economic and cultural advancement.

Hilton Hotels

As the most recognized name in the industry, travelers all over the world have been saying “Take me to the Hilton” for almost a century. And because of the innovative approach to products, amenities and service, Hilton continues to be synonymous with hotels across the globe. Hilton Hotels & Resorts remains the stylish, forward thinking global leader of hospitality – and they help make traveling easier with our smart design, innovative restaurant concepts, authentic hospitality and commitment to the global community.
